Dear Parent/Carer

**Year 11 after school English on Thursdays**

I wanted to make sure you are aware that after school English enrichment will begin on Thursday 7 September after school from 2.30-3.30pm. It is absolutely crucial that your son/daughter attends these sessions between now and Christmas. We will be using the time to study and revise the English Literature anthology poetry, which students need to know in-depth for their English Literature, as it is a closed book exam.

We have a whole range of ways in which we support students outside of the classroom in English and attendance at the after school English on a Thursday is just one of them. Further information on revision schedules for both English Language and English Literature, will be explained at the upcoming parents' information evening for year 11 students which will be held later on this month. This will enable all students to feel highly confident for both the final English Language and English Literature exams.

Your support, as always, is greatly appreciated, and if you have any questions about either the GCSE English Language or English Literature course, please do not hesitate to get in touch.

Yours faithfully

Louise Walker  
Associate Director of English
