

17 November 2017

Dear Parent/Carer

To ensure that your son/daughter has the best preparation for their History/Geography exam at the end of Year 11, I have arranged for mock examinations to take place in the hall during the week commencing 20 November.

However, in order to ensure that this does not impact on core lessons the examinations will run beyond 2:30pm and will, in some cases, run towards 3:30pm. This will act as excellent practice for the summer when exams beginning in the afternoon will run beyond 2:30pm. Mr Rutter has confirmed that those sitting the examinations will not be expected to go Maths and Science enrichment on the relevant days.

The dates and times of the exams are as follows:

- **History – Monday 20 November – 1:30pm start – 80 minutes (ET 100 minutes)**
- **Geography – Wednesday 22 November – 1:30 pm start – 90 minutes (ET 122.5 minutes)**

If you have any concerns about this, please contact me as soon as possible.

Yours faithfully

Mr T Peel
