Dear Parents/Carers

Did you know that registering your child for Free School Meals means that you could save over £400 per year and the academy gets extra money that can help your child in lessons?

The Government is giving money to schools for children on free school meals to help them do their very best, this is known as “Pupil Premium”. For every child registered for Free School Meals, Outwood Academy Brumby will get £985.

With this money we could add extra support for students in classes, or provide 1 to 1 support where needed. Please register as soon as you can. You can do it yourself online here:

<https://www.northlincs.gov.uk/schools-libraries-and-learning/school-food-and-free-school-meals/>

If you would like any assistance with the form, or have any questions, please call 01724 708060 .

### **How does it work?**

1. First, check if you qualify (list of ways to qualify on the reverse of this letter).
2. Complete the form online, this is the fastest way to apply. Should you not have access to the internet, we can print a paper copy off for you to complete. If you do need help, please call us on 01724 708060
3. If you don't want your child to have the school meals they can continue as normal, as long as you qualify and are registered, the school still gets £985.
5. No-one will know you have applied and your child's friends will not know. They will automatically have cash on their account every day. Students will use their fingerprint as normal and the cash is waiting to be spent on their meal choice.

No one will know you have registered and it will not affect any other financial support you are claiming.

Yours faithfully

Amber Bradley
