15th April 2024

Dear Parent / Carer,

I am thrilled to announce my appointment as the new Principal of Outwood Academy Brumby. It is with great enthusiasm that I embark on this journey, eager to lead such a dedicated and inspiring team. I extend my sincere gratitude to the Trust for entrusting me with this responsibility.

My ultimate objective is to prioritise our students and ensure they reach their full potential. I am committed to fostering strong relationships between home and the academy, as I firmly believe in the power of community connection. During previous visits to Brumby, I was deeply impressed by the dedication and exemplary conduct of our students, and I am determined to build upon these qualities.

Having commenced my journey in teaching in 2007 and having served in senior leadership roles for over 12 years, I understand that cultivating a thriving culture for both students and staff is paramount to our success. This culture must be centred on the belief that every child has boundless potential and can overcome any obstacles to learning, including low self-esteem.

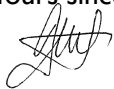

Irrespective of their backgrounds, all children deserve the highest quality education, and it is my responsibility to ensure they receive nothing less at Outwood Academy Brumby. As a parent myself, with two young boys, I am deeply passionate about the transformative role of education in shaping children's futures.

We are fortunate to have a team of immensely dedicated teaching and support staff committed to serving our students wholeheartedly, providing an excellent foundation for my tenure as Principal. Drawing from my experience, I understand that elevating standards for young people necessitates collective effort to enhance our community.

Rest assured, we are here to support you every step of the way, and I am dedicated to delivering the best possible education for your child. Your continued support of the Academy is invaluable and deeply appreciated.

Thank you for entrusting us with your child's education and I look forward to working with you.

Yours sincerely,

Donna Fitzgerald
Principal
